II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

Notice of intent to sue Exhibit 5a

Wednesday, November 8, 2023

RE: Defamation of character / Letter of intent to sue / CEASE & DESIST

Breshawn Harris - Atlas # FC2005001403(AZ) 2 emails available

Cheri Drake - BL076053/CA (200000001610022) no email available

Sarita Hill - Atlas # 00060527541(AZ) no email available

To all parties concerned:

I was informed today by an unnamed company that the deciding factor in ending my contractual agreement for services is the negative Google and FB post online since 2015. Please note that this memo will be followed by certified letters to all concerned parties as a preparatory notification of the process.

I'm writing this letter to inform those who are listed above that this is a letter of intent to sue for defamation of character. You each will all be sued collectively for your participation in the following link. Each of you has participated in the defamation of my character over the last 20 years. What I thought was really interesting is during the dates of hearings for child support-related matters, the anonymous Facebook page "mysteriously" disappeared. And after these said hearings were completed, they "mysteriously" were reposted. Here is the link from a generic google search of my name and the results.

Mar 10, 2015 — Mervin January has six children and refuses to support any of them and he has is pastoring a church in Portland OR

Here is the fake news created "anonymously" on FB March 10, 2015, that caused the visiting members at my church, Saved to Serve Ministries to go from 50-75 people per week down to a whopping (five) 5 people following the ONLINE attack the day of our 1st year church anniversary program.

Exhibit 56

Isn't it amazing out of millions of legitimate dead-beats out there how only 1 person, Mervin January, was singled out and profiled on this group page by the perpetrators. One even posted her name publicly on the group.

FB link created in 2015 -

<https://www.facebook.com/702381436541229/photos/mervin-january-has-six-children-and-refuses-to-support-any-of-them-and-he-has-is/703163819796324/>

These same perpetrators also looked up Supreme Helpdesk, LLC ownership online information and posted it on FB as well. I was informed by college friends who also graduated from Grambling state University immediately and took some more screenshots of those as well. This has all been going on since 2004-2005, including being harassed by private investigators, prank calls to myself and my beautiful wife, along with "other things" not mentioned in today's correspondence due to its cynical and misanthropic nature. The perpetrators have promulgated this type of denunciation and still expect me to pay child support without a job. Due to family court hearings and other judicial mêlées, my name has been slandered by perpetrators who deem it necessary to label me as a Deadbeat Dad. To this date, I have not been allowed by any court to have visitation with my children. For years, I continued to be laughed at by judges during hearings and mocked by sarcastic rhetoric from these same judges and court-appointed personnel during recorded judicial family court trials.

Now that my children are of age and almost independent, I felt that this was the appropriate time to pursue this claim. Please note that I am not revealing my attorneys. Therefore, as a measure of my personal grace towards the perpetrators listed above, you have 10 days from the date of the certified letter mailed to remove and never re-post this link or any other character defaming information against me, my church organization, or any business entity with which I provide services TO or FOR as has been the case for MANY (i.e., more like 20) years!

Out of this was born my non-profit organization in 2013, Against All Odds Restoration Services.

My petition, which can be found at <https://aaors.org/#petition>, has already amassed over 3,069 signatures since 2019. Out of this attacks Additional specific details will also be shared in my upcoming book entitled, **1 Child is 1 Too Many**, which will be available soon on my website, www.mervinjanuary.org

Always Reverent,

Mr. Mervin W. January

As stated in the envelopes for the people involved, please forward to the persons named on each envelope, who receive monthly payments.

Letter to Bradley Angle

Wednesday, November 8, 2023

For starters, I want to thank those who originally setup this contractual agreement with my company. I have thoroughly enjoyed working with the clients of Bradley Angle. Also, I noticed a major shift in how things were being handled once Valoria came aboard. I see her as an intelligent, passionate, and forward-thinking individual who is able to move the needle, so to speak. However, I was surprised when the contractual agreement ended abruptly.

My hypothesis is it's because of negative online content that can be found on Google and FB posted online since 2015. Due to family court hearings and other judicial mêlées, my name has been slandered by perpetrators who deem it necessary to label me as a Deadbeat Dad since 2015. I have been waiting for my children to reach a specific age before filing a lawsuit regarding Defamation of character. That process was started this week with my attorneys.

Isn't it amazing out of millions of legitimate dead-beats out there how only 1 person was singled out and profiled on this anonymous group page by the perpetrators.

FB link created in 2015 -

But just for a moment, let me provide a different perspective for those who are unaware. Out of this was born my non-profit organization in 2013, Against All Odds Restoration Services.

My petition is meant to fight against parental alienation, which has been deemed as the highest form of child abuse by professionals across the globe. It is located at <https://aaors.org/#petition>, and has already amassed over 3,069 signatures since 2019. To date, there are over 23

Exhibit 6b

2

million families who are estranged by parental alienation, domestic violence, and many other issues that breakup our family infrastructure. Because I am a true survivor of it all, it makes me the resident expert on many issues that plague the substratum fabric and foundation of the family.

In an effort to help others cope and be informed, my upcoming book entitled, **1 Child is 1 Too Many**, will be available soon on my website, www.mervinjanuary.org. My purpose of the PFL, Reunification, and Mentorship programs is to help create pathways for youth and young adults from adolescence to adulthood. Once they are equipped with the proper tools, they will experience a higher standard of life and success. I have been waiting for 9 years with negative online content that slanders my name, Professional Reputation, Marketability, and Brand. Since 2015, I have "lost" a total of four 6-figure jobs without a TRUE reason why. My hope is that this lawsuit will punish the perpetrators as well as restore my brand and reputation.

However, it is difficult "along the way" when others decide to become the judge, jury, and executioner without all the facts. Life is great until my name is searched by a potential or current employer. But instead of going postal, I am learning the proper way to fight back in a way that will one day be recognized and rewarded in a major way!

As it relates to your company, the true purpose of this memo is to merely let you know about my theory regarding the end of our contractual agreement. Once again, thank you for the opportunity.

Mervin

To Legal Counsel & Attorneys:

plaintiff

I was informed on Monday, November 6, 2023 by an unnamed company *employee* that the deciding factor in ending my contractual agreement for services is the negative and FB post online since 2015. Collectively, these 3 women Breshawn Harris, Sarita Hill, and Cheri Drake (ex-wife) have conspired against me to defame my character over the last 20+ years.

Their efforts have led to:

- lost employment contracts with Portland Public Schools, which was a 6-figure job.
- lost employment contract Bradley Angle, which was a 6-figure job.
- A professional resume that looks like an outdated tee shirt infested by hungry moths (not LOL)
- personal damage to public reputation, church members leaving our congregation (from 75 down to 5 in 2015),
- focused attacks on my personal page (i.e., Mervin January), which I have been unsuccessful in converting to a PUBLIC FIGURE page since 2015.

As most people know, any unaddressed lie eventually becomes the truth. Due to the financial hardship placed upon me and my current wife of 12 years, I have not yet been able to afford the resources to pay for a lawsuit. Therefore, I am reaching out to GOOGLE for assistance. Your company allows for the creation of anonymous FB pages.

I am asking a simple request:

That would remove this defamatory content that has caused public shame to my church ministry (savedlandserving.org), marriage, ability to generate income, my company of 15 years (supremehelpdesk.com), my

As a Billion-dollar company, GOOGLE has the authority to remove and never re-post this link or any other character defaming information against me, my church organization, or any business entity associated with my brand.

At 54 years of age, my time to have a lasting positive impact is dwindling and about to turn into a downward spiral. But GOOGLE has the power, authority, and ability to shut it down immediately. What would you do if the person being slandered was one of your own?

At 54 years of age, my time to have a lasting positive impact is dwindling and about to turn into a downward spiral. But META has the power, authority, and ability to shut it down immediately. What would you do if the person being slandered was one of your own?

Here is the link from a generic google search of my name and the results.

Here is the fake news created “anonymously” on FB March 10, 2015, that caused the visiting members at my church, Saved to Serve Ministries to go from 75 people per week down to a whopping (five) 5 people following the ONLINE attack the day of our 1st year church anniversary program. Isn't it amazing out of millions of legitimate dead-beats out there how only 1 person, Mervin January, was singled out and profiled on this group page by the perpetrators. Sarita Hill even posted her name publicly on the group.

FB link created in 2015 -

<https://www.facebook.com/702381436541229/photos/mervin-january-has-six-children-and-refuses-to-support-any-of-them-and-he-has-is/703163819796324/>

These same perpetrators also looked up Supreme Helpdesk, LLC ownership online information and posted it on FB as well. I was informed by college friends who also graduated from Grambling state University

immediately and took some more screenshots of those as well. This has all been going on since 2004-2005, including being harassed by private investigators, prank calls to myself and my beautiful wife, along with “other things” not mentioned in today’s correspondence due to its cynical and misanthropic nature. Due to family court hearings and other judicial mêlées, my name has been slandered by perpetrators who deem it necessary to label me as a Deadbeat Dad. To this date, I have not been allowed by any court to have visitation with my children.

Now that my children are of age and almost independent, I felt that this was the appropriate time to pursue this claim. Out of this was born my non-profit organization in 2013, Against All Odds Restoration Services.

My petition, which can be found at <https://aaors.org/#petition>, has already amassed over 3,069 signatures since 2019. Since I don’t have the financial infrastructure to fight back in court at this time, I will try to help others who are experiencing similar situations in my upcoming book entitled, **1 Child is 1 Too Many, which will be available soon on my website, www.mervinjanuary.org**

But here’s the question, “Can I, using my faith in God through prayer, rely on META (ie. FaceBook) to make this right according to Proverbs 21:1?”

Always Reverent,

Mr. Mervin W. January

Also let her know that I have sent a copy of the most recent payment and the letter from my attorney as we are working on the modification. We would like more time to complete the financials and then I can have my attorney send them over. It is difficult to answer to the Salem office, the DOJ, and the Arizona CSE agency all at the same time without losing my mind. I hired an attorney so that he can represent me because this case is from Arizona. This has place an enormous amount of anxiety and depression upon me and your office is driving me to have suicidal thoughts because I have to deal with 3 different offices for 1 child plus 2 other child support orders.

My driver's license was suspended for a whole year and I was unable to secure work because of that. I have made the last 3 payments by omitting that information and I am currently looking for work.

In the meantime, Breshawn Harris has plastered my name and face and business ownership documents all over facebook plus other social media and has caused me to be blackballed from getting work, which other employers have found and refused to give work. I even have copies of what she has done on social media.

Also dealing with two other child support enforcement orders, 1 in Arizona and 1 in California. My wife has been urging me to go and get professional help with Suicidal thoughts depression and anxiety.

Your husband is a deadbeat father. You will see here where he lied so he would not have to pay child support, how he tried to have the child support stopped, how he was ordered to pay Attorneys fees, how he was found in contempt of court and how he "Currently" has a warrant for his arrest for non payment of child support. And you sit along side him as a first lady of a church while he continues to evade the law by not supporting his six kids. One of your current church members has given up all of the information on the two of you and how you run your church so that makes you a big part of his crime and negligence. And when they find out that he is using you as the business owner you are going to be held responsible for his crimes.

This is only a small portion of the continued harassment by Miss Breshawn Harris, not including previous emails, prank calls to our job locations and paying P.I's to sit outside our homes (i.e. past/present)

Re: Mervin W January vs Breshawn N Harris

Case #: 15SC13700 Case Type: Small Claims - General

NOTICE OF ENTRY OF JUDGMENT

The court entered a Judgment - General Dismissal on 10/23/2015 in the court register.

Dismissed because Miss Harris
avoided being served by a process
server for a 2nd time!

Who did I get this notice?

Oregon law (ORS 4-901) requires the court to send this notice when a judgment is entered. If you have questions about the judgment, contact the other party.

What does this notice mean that a judgment lien was created?**What is a lien?**

A lien is a claim attached to the real property of the person who owes a debt. Depending on the type of case and the amount of the money award, some judgments automatically attach a lien to real property. A lien may prevent property from being sold, or it may require a buyer to pay off the judgment before the seller gets any money.

How do I get rid of a lien?

Judgment liens stay attached to real property until the judgment is paid off, including costs and fees. Once the judgment is paid, the creditor (the person receiving the payment) has to file a Satisfaction of Judgment, which tells the court that the judgment is paid.

Drivers license page #2 - December 12, 2018

I am requesting an Expedited Hearing for this case due to inevitable IMMEDIATE loss of employment contracts if my employers are alerted to my current driver's license suspension. If expedited hearing is not possible, then I am requesting reinstatement of my license to perform work duties per my constitutional rights to operate a vehicle as long as I am not a threat to other citizens.

I am asking that my driving privileges be reinstated until I am able to have a hearing. If I report that my license is suspended, then I lose my contract work if I don't run my business, then I missed the opportunity to leave a legacy to my children who currently don't even know me. This system that has chosen to strip me of my driving privileges and does not take into account that I have a right to earn a living and use my driving privileges as long as I am not a threat to society based on the documentation that is attached in the writ of habeas corpus that was filed today.

I am requesting a reinstatement based on the grounds of motion to contest driver's license suspension and habeas corpus documentation filed today, December 11, 2018 with the clerk of court's office. Copies also served via certified mail to DMV (Salem, OR), DA office (Portland, OR), and CSE (Salem, OR).

My driver's license is required to enter buildings to perform work as I do not have a work badge, and majority of work is outside of limitations of public transit system.

Thanks for your immediate restoration of my driving privileges to continuing working.

Case # fc2005-001403 (Milan)

June 30, 2008

I want to take this time to formally apologize to you for whatever pain I might have caused you! In spite of what it looks like, it was never my intention to cause you any pain, confusion or mistreatment. This letter is my first step toward full repentance to my Lord and Savior, Jesus Christ and hopefully gains your hand in forgiveness. I am led by Holy Spirit.

I applaud and celebrate you for rearing my child in my absence. I am sure that you are doing a wonderful job. However, I want my role to be more than just a paper payment father. I recognize my responsibility in rearing my child and what affect my absence can have on them. So, truly, I acknowledge your efforts!

Based on your previous actions, it is clear that there is some level of anger and bitterness towards me. My past lifestyle has unfortunately caused my child to grow up in a household away from me as the biological father. As I reflect on those days, I often wonder how I could have been so irresponsible. But my life has been changed. I have even called a truce with my 10 year old stepson's biological father. By doing so, it illustrated my growth and maturity. He is now the happiest little boy in the world! This is all a part of what God is doing in my life now. Recently, while studying the bible, I came across this passage of scriptures. Please, ask God to help you understand the intent of this passage:

1 Corinthians 6:5-7, reads: ⁵I say this to move you to shame. Can it be that there really is not one man among you who [in action is governed by piety and integrity and] is wise and competent enough to decide [the private grievances, disputes, and quarrels] between members of the brotherhood, ⁶But brother goes to law against brother, and that before [Gentile judges who are] unbelievers [without faith or trust in the Gospel of Christ]? ^{7a}Why, the very fact of your having lawsuits with one another at all is a defect (a defeat, an evidence of positive moral loss for you). In Romans 12:18, it reads: ¹⁸If possible, as far as it depends on you, live at peace with everyone.

After becoming aware of these passages of scriptures, I realized that God desires that His children work out disagreements between themselves, with integrity and honor, without needing court intervention. I further realized that had I taken responsibility for my actions earlier, the court system would not have had to be involved. Certainly, in some cases, the honor system does not work. However, I don't want to add to the list of fatherless children that go through life lacking wholeness because of the challenges between their parents. Lately, even through the news, I have seen young girls' lives being destroyed because there was no father present to validate them. I do not want this to happen to my child...your child...our child. This is beyond money to me. I have trusted that God will enable me to provide for my child. Therefore, I am willing to do my part in helping to correct this matter. Yes, we have strong differences, but no longer do I want these differences to negatively affect our child. Now, here are some similarities neither of us can deny. We laid down together, 1-on-1, and had sexual relations outside of the covenant of marriage and the will of God. Although God does not sanction these types of activities, He does desire that the product of our actions (children) not be penalized for the conduct of their parents. Multiple barriers have been placed between our child and me. As the biological father, it is truly my sincere desire to overcome these barriers. I am stepping out on faith and asking you to dismiss this legal case and deal with me again, 1-on-1, as mature adults. If you choose not to, that is your legal right. However, I feel that I should be given the opportunity to participate in my child's life. Prayerfully, I can be effective in some way as I use my God-given rights as the biological father.

Exhibit 246

I have had constant conversations about this with my shepherd, Pastor Maurice Revell. We have discussed this case in detail. He is fully aware of the situation. If you ever doubt my sincerity in this letter, feel free to contact him about my intentions. He can be reached at (803) 329 - 0222.

I am praying for God to change your heart towards me and that you give me the chance to show you who I really am NOW and what a good Father I am and desire to be. My 8-month-old daughter wakes up every morning and sees my face smiling at her. She goes to sleep every night and sees me once again smiling right back at her. She loves me because I am there every time she falls while trying to take her first steps. When she needs her bottle, I am there. When she needs her diaper changed, I am there. The painful and shameful thing is that I regret not being involved and sharing these moments with the child we share. I obviously understand that we have separate lives now, and even live far apart from one another, but I would like to be involved in the life of our child, however limited the time may be. I simply believe that it is time to move beyond the animosity for the sake of our child! Life was made for us all to enjoy. If you choose not to respond or acknowledge my apology and forgiveness, that is fine and I will continue to pray for you and our child. ***In the meantime, I am striving to remain in right standing with the word of God.*** I thank you for your prayerful and thoughtful consideration of my request.

Current status: My driver's license was suspended by Miss Priscilla Lupton a few days ago.

Per the attachments, this is proof of why I have experienced job losses over the last 8 years (i.e. 2015) and the PRIMARY reason why I have not been able to continue making monthly court-ordered child support payments.

Of course, there is much more to this story than what you will read here.

I was informed by an employee of my previous employer that my contractual agreement was ended due to a google name search that revealed defaming character information circulated by Miss Sarita Hill and Miss Breshawn Harris.

Although they removed the FB group page, they were UNABLE to remove the Google impressions created by the FAKE and ANONYMOUS FB Group Page.

During court hearings, the FAKE FB groups pages were removed and then recirculated at the conclusion of each hearing as recent as 3rd quarter in 2023. This will provide additional clarification on joblessness, inability to obtain employment that provides for the amount of child support ordered by the court, and financial injury occurred since 2015. This includes loss of jobs from Portland Public Schools and other companies who have hired me for my services and abruptly terminated me with NO CAUSE or explanation.

RE: Alexandria January (California-Los Angeles County),

RE: Jonathan Hill (Phoenix, AZ)

RE: Milan Harris (Mesa, AZ)

To my children:

I am writing this letter to leave the truth about you and me and how you got here and why you don't know me. Your mothers are very cruel women. They are full of evil and have refused, through the court system, to keep me from having contact and influence in your lives.

Alexandria, your mom, ran off with a car and a business bank account when you were 6 months old. I came home from work one day to pick you up from daycare while you were visiting with me, to find out that she had picked you up without contacting me at all. She is a GOLDDIGGER who only married me because I was good looking and making a lot of money at the time. After being married for 3 years, I finally figured out how she tricked me into marriage and decided to leave her. In the core of her heart, she was a ruthless woman and wanted revenge because I prepared to leave her when I found she had manipulated me to move to Charlotte, NC instead of Dallas, Texas. I have not seen you since you were 6 months old. I loved you with all my heart and literally die everyday thinking of you. I wonder how you turned out, what you look like. If you have any of my features and DNA, then I am confident that you are athletic, beautiful, and smart. I LOVE YOU but was never able to recover after your mom stole everything I had as I was recovering from the financial disaster caused by Milan's mother. Just know that I love you and if I could, I would have found you.

Jonathan, my son. I have always wanted to know you since you were a baby. But your mom was a GOLDDIGGER & a TRICKSTER. She even admitted to my wife Monique, whom I love dearly, that "everything was all her fault." She was a tricky chick who only

Exhibit 306

wanted to trick me into a relationship with her. We were NEVER a couple, we just have sex a few times. I never as much as even took her to the movies. All we ever did was have sex. There was no love between us. So, in retrospect, I never left you or your mother, I never really knew her personally or developed any real relationship with her. She wanted to use you to control me and when it didn't work, she sued me for child support. To this date, I have not been able to recover. When I came to visit you in Phoenix, AZ, I spent all of my money to be there. You seemed very uninterested in me. Even though I sent you a special DVD that I made as an introduction to me before my arrival. I grew to love you, but you were so full of anger, I decided not to force myself on you. Because of my father, I knew EXACTLY what you were feeling, and decided to stop trying. I still loved you, though, even though you didn't love me.

Milan, you have the ABSOLUTELY craziest, most deranged, and bizarre mom of all time! There is not enough room on paper to talk about her. She is extreme! She pretended to want to move in together, took one of my paychecks, and used it to open a child support case. After I left Arizona realizing she was a phony and a fake, things got worse. She had me followed around the country by private investigators, hoping to get money out of me. She called all of my customers and lied that her husband had left her and a baby, which in turn ruined my \$160,000 business at the time, which caused me to never recover to this day, kept me in court flying back and forth from wherever I was to Arizona to defend myself. When I ran out of money, I became my own lawyer and made things even worse. She ATTEMPTED to file your child support case before you were even born and the court told her to come back with a baby. When you were born, I took off from work and flew in from North Carolina to see you. She tried to force me sign paternity papers just to be used in court. She held you in her chest and would not even allow me to touch you or see your face. She is Lucifer's wife - LOL (literally). There is Wayyyyyy more than this from her, but she is not worth the paper it required to write it here! YOU GET THE PICTURE!

As for me:

Exhibit 30c

My father never lifted a finger to help me out as I thought he should. Furthermore, he was unaware on what it meant to be a father. According to my mom, who never said a bad word about him, he had 22 kids and didn't take care of any of them the right way according to my knowledge. I wanted to take care of you guys, but your mothers were so mad that I didn't want to be in a relationship with them, that they all turned on me, sometimes together, ALWAYS CHASING AFTER MONEY. I was very handsome and they were very carnal and pretty promiscuous themselves. They were all easy to get into bed. Little did I know that they were all playing the same game called "trap me a man!"

In conclusion, your mothers all thought that I was a handsome gold mine that would lead them to glory. I smoked a lot of marijuana, chased a lot of women, and made a boatload of money while it was going good. When the money slowed down due to Milan's mom, they all got mad and seemed to compete to get their grubby hands on anything that was left. Collectively they all wanted me in jail because it would have made them look good. But, God kept protecting me, but it kept them from trying. To me, they were money-hungry gold diggers. I prayed that God would send them husbands so that they could move on with their lives. I knew deep down that they were torn up on the inside and could never "genuinely" love a man and keep them. You see, whoever I was with, I made her feel special. And I knew that very few men in life knew how to treat a woman, and that was my secret. I learned it from my two sisters, you Auntie Stacy Freeman (Monroe, LA) and Auntie Nelda Freeman-Lawrence (Winnsboro, LA). My brother, your Uncle Roy Freeman (New Jersey) had been a model father and married for 20-something years up until now. All 3 of my siblings were married with kids for more than 15 years or more and I used that as my model for my current marriage to my loving wife Monique.

So, when I left each of them, they did all that they could to ruin me in hopes that it would make them look like the "innocent" mother who was left behind by a bad man.

Now I am a changed man who pastors a church. They have ALL attacked me on social media (facebook, twitter, and others) in hopes of destroying my church (which almost happened because

Exhibit 30d

many people left), and my marriage(which God preserved), and my business(not much left today, but still surviving). Jonathan's mom is still pretending to play nice when it benefits her, but she is just like the other two, because she only cooperates when it benefits her. I am just through with all of this. I am writing this letter because life is bad for me right me. My wife Monique is the ONLY reason that I have not committed suicide. I don't want to leave her all alone.

If you are reading this letter right now, 1 of 2 things has happened

1. I am dead and gone and this letter was found in the home safe
2. I survived this season in my life.(Thanks be to Jesus!)

Your father,

Mervin Wray January

Exhibit 33a

What really happened – short version

Reasons to challenge support order:

1. Ex-wife fled NC to California, Moved business bank accounts to a different bank.
2. Picked up my daughter from daycare during father's visitation without his knowledge. Father has no contact with child since she was 6 months old.
3. Prior to divorce and child support order, Ms. Drake, a former cocaine abuser accused father of being on drugs. Father took a drug test and passed!
4. Adjusted the home rental agreement without my knowledge
5. She filed for child support, gave false financial statements for father with no proof, and I was notified 7 days before it happened with no money or legal representation (see attachment). Also, father never signed a child support order in NC.
6. She embezzled \$25,000 as father earned the money and fled to California (i.e. I understand business statute of limitations = 2 years) – Total monies stolen = \$35,000

Re: January v. January (08-CVD-20329 (PBM))

Dear Mr. Parker:

I am writing this letter to address two separate issues.

- I find it to be unfair that Mr. January only has to pay \$100. It is clear that Mr. January has lied about his income. If you look at the court records it will show that Mr. January's last income was \$45 per hour (85K annually). He is a senior level IT consultant who has been in the business for over 10 years. Mr. January is skilled at evading the law and hiding his income. His level of expertise in the world of IT is well beyond an annual salary of 20K. His lifestyle exceeds that of \$20K annually. The court would not have ordered him to pay \$883 a month in child support if his income was \$20,000 or less on an annual basis. Mr. January has the earning potential of 85K-100K per year (of which I can prove and have personal knowledge of). He currently has refused to pay the court ordered child support and has not paid one cent since the order went into effect on January 26, 2009. I believe there needs to be a re-evaluation of his reported income and more investigation into his financial background. Mr. January was held in contempt of court on another child support hearing for lying to the judge and falsifying documentation of his income and I have proof that he falsified his financial information as well as recreation of contracts to show a different hourly amount. He was also ordered to pay \$1250 per month in child support. That kind of support would not have been ordered to someone that makes \$20K annually. He is currently a fugitive of the law in the state of Arizona with a warrant for his arrest. He should not be allowed to hide from the law and his obligations. Mr. January fled the state of North Carolina of his own free will, taking all of our married possessions to include all of her baby furniture with him leaving Alexandria with nothing.
- Pursuant to your letter and the court order filed December 15, 2009 requesting payment in the amount of \$400, please be advised that I am unable to pay the requested amount of \$400. I do not currently have the disposable income to cover this amount. If Mr. January would pay his

Exhibit 33c

court ordered child support in the amount of \$883 I could use that money on my daughter's daycare and living expenses, thus freeing up extra money back into my household. Please advise as to the next course of action regarding this matter. If I need to go before the Judge again regarding this matter for financial payment I will. I have since filed an order to show cause to find Mr. January in contempt for non payment of his court ordered child support. As I stated I do not have the additional \$400 to pay as I am the sole provider for my daughter Alexandria. If needed I can provide pay stubs and an itemized list of my monthly expenses.

Sincerely,

Cheri D. Drake (January)

RESPONSE LETTER – CUSTODY MEDIATION GROUP ORIENTATION Case #08cvd20329

Mrs. January has collected up to \$16,000 in wages earned by me for a family business that I created prior to our marriage (Exhibit 1). She redirected company paychecks from my contractual work from July 31, 2008 – December 2008. Every check number has been submitted to the court and Judge Randall Chapman is aware of this. All attempts to be cordial with her have failed. All attempts to be civilized and achieve amicable results have also failed. I have submitted a "cease and desist" letter to the court due to harassing phone calls from Mrs. January and her daughter to my mother, insurance agent, and others (Exhibit 2). She simply refuses to cooperate with me to have a healthy parenting relationship for the sake of our daughter.

At one point (September 2008), she even forced me to have recorded conversations with the Matthews Police Department in an attempt to protect herself while withholding wages earned by me. This occurred in September 2008. The agreement of wages to be paid is has not been honored (Exhibit 3). She has moved at least twice or is making it appear that way in an effort to avoid me. She has been a no-show in two different court hearings regarding Distribution of Equitable Assets/Child Support (Honorable Judge Randall Chapman presiding).

From January 2009-April 2009, she and her daughter Wintre Davis have harassed me, my mother, and my insurance agent with unsolicited phone calls. In one voice mail to me, she even asked "if you are willing to give up your parental rights, then maybe I would be willing to give up something." Since then, all voice mails have been saved for testimonial purposes.

Due to her attempts to financially cripple me, I was evicted from my residence by Cambridge Realty, of whom I also provided case history (Exhibit 4). I have been forced to relocate with family and friends as a result of the theft of my wages. I am willing to complete the parental requirements in the area closest to my current location. However, I cannot afford to be in Charlotte for these classes or mediation.

She has refused to allow me to see my daughter Alexandria through all of this stating that, "if you want to see her, go to the court." She is playing a vicious game and has not allowed me to see my child since 6 months old. July 31, 2008 was the last time I knew of the whereabouts of my precious daughter.

Although Mrs. January has left a voice mail asking me to relinquish my parental rights, I am still eager to complete my parental requirements to see my child.

Actions by Cheri Drake (ex-wife)

Letter to California. Will be pursuing the retainment of a North Carolina attorney and filing for expungement of the original North Carolina order because due process was not correctly administered, I was never notified of the hearing nor ever allowed to submit my financials. My financial statement and earnings or falsified by my current boss at the time Miss Drake who was the owner of the company that I work for please see the attachment. Miss Drake also embezzled \$25,000 of company funds earned by me, rendering me into a financial hardship, which also included a rental lease agreement where she had modified without my knowledge, and although I was paying the rental fee each month I had no idea that my name was not even on the lease until Miss Drake pulled my daughter out of daycare during my time of visitation and fled to California. Therefore all Financial efforts pertaining to this case will be directed towards a North Carolina attorney and fighting for the expungement of the original order to place it into a retroactive status.

Sent: Wednesday, December 4, 2019 12:50 AM

Leading to financial hardship, force me to take a drug test which I passed, but nobody talks about that, when she herself is a former cocaine addict, because drug addiction runs in her family, slandered my name on social media using Facebook, lied so much in court that by the time I figured out her lies she was on her way to another state from North Carolina to California, additional stress here in my life which could not be avoided because of the child support system and Department of Justice and child support enforcement
